FAmSCo Activity

About

This section gives some quick health indicators about how much FAmSCo is communicating. Sometimes FAmSCo members can't make a meeting due to travel or conflict, but the combination of meeting attendance plus email is a nice metric.

1.1. Meetings

FAmSCo held 3 meetings in January. Attendance was excellent:

- 3 out of 3 -- Joerg, Maria, Susmit, Rodrigo, Luca
- 2 out of 3 -- Max, David

So far this year, FAmSCo has held 6 meetings. Overall attendance has been:

- 6 out of 6 -- Joerg, Maria, Susmit
- 5 out of 6 -- Rodrigo, Max, David, Luca

1.2. Regional Meetings

One of FAmSCo's goals this year is to make sure that at least one FAmSCo member is at each regional meeting that is held. As of the time this report was prepared, XXX regional meetings held in January had been logged.

- NA --
- EMEA --
- APAC -- 2 meetings, none attended by Susmit.
- LATAM --

1.4. General accomplishments or decisions

About

This section discusses the non-regional achievements within either FAmSCo or the larger Ambassadors project from this month.

- First Townhall meeting was held on 8th February. It was generally constructive.

1.5. Budget

About

The FAmSCo budget rolls up into the larger *Community Architecture expenses*². On that page, FAmSCo's budget is represented by the "Regional support" line item.

- We are currently in Q4 2010 (December 2009 - February 2010).
- FAmSCo's total budget for this quarter is \$32,000.
- Total spent and fully expensed and/or reimbursed: \$13,195
- Estimated amount that has not yet been expensed and/or reimbursed: \$3,000

Region	Detailed breakdown	Total Expense
APAC	<ul style="list-style-type: none"> • \$930 for Hiemanshu's CLT sponsorship • \$340 for Case badges • \$290 for FOSS.in • \$225 for FOSS.my 	\$1785
EMEA	<ul style="list-style-type: none"> • \$4,640 for Fedora 12 media • \$680 for Case badges • \$60 for Athens release party 	\$5380
LATAM	<ul style="list-style-type: none"> • \$340 for Case badges 	\$340
NA	<ul style="list-style-type: none"> • see here³ 	\$5690

Table 1.2. Regional Breakdown

At the current pace, we are going to finish the quarter well under budget. This is fine if there are no urgent needs worldwide, but it seems like the flow of money into the regions that need it is currently stalled.

In short, FAmSCo is worried about what seems to be very little spending in LATAM, India, and APAC. We still have about two weeks left in this quarter to correct that, but it requires those regions to get their shopping lists together quickly. In your regional meetings, please make a list of the things that you need, and bring that discussion to the mailing list.

1.6. Mentoring

Month	New tickets	Still under mentoring	Sponsored	Rejected
January	50	28	9	57
December	63	5	10	56

Table 1.3. Mentoring

One of the items on the FAmSCo agenda regarding mentoring is the automation of the membership service, which will improve the mentoring workflow, as described [here](#)⁴.
